

Notification of Family Medical Leave, Family Caregiver Leave or Critically Ill Child Care Leave Form

This form should be completed and submitted to your Supervisor / Chair preferably two weeks prior to the expected date of the commencement of the leave along with the required medical documentation.

It is very important to refer to your appropriate employment policy or collective agreement (<http://agreements.hrandequity.utoronto.ca/>) when completing this form, as each employee group may have different provisions for these leaves. If you require assistance, please call the Family Care Office at 416.978.0951.

Employment Insurance Benefits

If you are applying for Employment Insurance benefits, then the leave should begin on a Monday and end on a Sunday for Employment Insurance purposes.

Questions?

For questions regarding your benefits during a leave, please contact Keithann Newton, Benefits Specialist at 416.978.4673 or email benefits.help@utoronto.ca

Form Instructions for the Business Officer / HR Officer

- Department to review and validate the form information and request medical documentation
- Contract Central Payroll Services by email at payroll.hr@utoronto.ca if you are unsure how to on-line the leave code in HRIS

Record of Employment (ROE)

An ROE will not be processed and filed unless the department contacts Payroll and makes this request.

For those employees applying for EI benefits, the ROE will be required and must be requested from Payroll.

If requested, after employee's last day of work, a Record of Employment will be processed and filed electronically with Service Canada. Please note that a paper ROE is no longer required.

Once the ROE has been submitted electronically, it can then be viewed by the employee online at any time by accessing the My Service Canada Account online service. To access this service, you will need to register for it; to register, you will need an access code which you can obtain by following the instructions provided by Service Canada.

- My Service Canada Account website
