**COLLECTIVE AGREEMENT ENTERED INTO** in the City of Toronto in the Province of Ontario as of January 26, 2015.

BETWEEN

**The Governing Council of the University of Toronto**  
(hereinafter referred to as “the University”)

AND

**Canadian Union of Public Employees, Local 3902, Unit 5**  
(hereinafter referred to as “the Union”)

### **ARTICLE 1: GENERAL PURPOSE**

1:01 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the University and employees represented by the Union.

### **ARTICLE 2: RECOGNITION & COVERAGE**

2:01 The University recognizes the Canadian Union of Public Employees, Local 3902, Unit 5, as the sole and exclusive bargaining agent for all persons employed as Postdoctoral Fellows by the University of Toronto in the City of Toronto and the City of Mississauga and registered as Postdoctoral Fellows with the School of Graduate Studies, save and except:

- (1) persons who exercise managerial functions or who are employed in a confidential capacity in matters related to labour relations;
- (2) persons for whom any other trade union held bargaining rights under the *Labour Relations Act* as of July 18, 2013;
- (3) Postdoctoral Fellows who apply for and are awarded funding from any source other than the University of Toronto including, without limiting the generality of the foregoing, NSERC, SSHRC, CIHR, or foundations such as the Mellon Foundation.

Note 1: Postdoctoral Fellows who receive their stipends through a hospital are not included in the Bargaining Unit;

Note 2: Postdoctoral Fellows are included in the Bargaining Unit notwithstanding the exclusion in (3) above where:

- (a) at the time they first commence employment with the University of Toronto as a Postdoctoral Fellow, they are receiving funding solely from the University of Toronto so as to be in the Bargaining Unit;
- (b) they subsequently apply for and are awarded additional funding from any source other than the University of Toronto; and
- (c) the additional funding in (b) above is less than the funding that the Postdoctoral Fellow is continuing to receive from the University of Toronto.

### **ARTICLE 3: MANAGEMENT RIGHTS**

3:01 The University retains the right to manage the University in all respects except to the extent specifically modified by the terms of this Collective Agreement. Without limiting the generality of the foregoing statement, the University has the right to: manage all

aspects of the academic and business enterprise of the University; to hire, classify, transfer, promote, demote, layoff, discipline, suspend, or discharge employees; to enforce reasonable rules and regulations, not inconsistent with this Collective Agreement, which govern the conduct of employees. The University agrees to exercise these rights in a manner which is fair, reasonable, equitable, and consistent with the provisions of this Agreement.

#### **ARTICLE 4: NO DISCRIMINATION**

4:01 The University and the Union agree that there shall be no discrimination, interference, restriction, coercion, or harassment exercised or practiced in any matter concerning the application of the provisions of this Agreement by reason of: race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, religious or political affiliation or belief, sex, gender, sexual orientation, gender identity and gender expression, age, record of offences, marital status, family status, disability, or academic school of thought, nor by reason of the employee's non-membership, membership, or activity in the Union.

#### **Bullying and Personal Harassment**

4:02 The University will provide an environment where members of the Bargaining Unit are not subjected to bullying and personal harassment. In assessing whether bullying and personal harassment may have occurred, the definitions and standards set out in the University's Civility Guidelines, although they do not form part of the collective agreement, shall be considered, including by an arbitrator in any arbitration pursuant to this section.

An employee may file a grievance alleging a course of conduct amounting to bullying and personal harassment if, after the University has exhausted any applicable internal steps to respond to the situation, the employee is dissatisfied with the outcome. Such grievance will be filed at Step 3 of the grievance procedure. If not resolved at Step 3, mediation or facilitation before an agreed-upon mediator or facilitator must occur before arbitration takes place. The mediation or facilitation will be confidential and without prejudice to the rights of either party.

During any internal steps taken to resolve the situation, employees shall have the right to be accompanied by a Union representative.

#### **Sexual Harassment**

4:03 Sexual harassment shall be considered discrimination under Article 4:01.

4:04 For the purpose of this Collective Agreement, "sexual harassment" means:

- (a) Making submission to an unsolicited sexual advance or solicitation, expressly or by implication, a term or condition of an employee's right to or continuation of or advancement in employment and/or
- (b) Using or threatening to make use of, rejection of an unsolicited sexual advance or solicitation as a basis for employment or other professional decisions affecting the employee or the employee's progress and/or
- (c) Physical conduct, occurring either on the Employer's premises or in the pursuance of a University activity or business, which emphasizes the sex or sexual orientation

of one or more employees in a manner which the actor knows or ought reasonably to know creates for that employee or those employees an intimidating, hostile, or offensive working environment, and/or

- (d) Verbal conduct or other forms of communication occurring either on the University's premises or in pursuit of a University activity or business,
- i. that is directed at one or more specific employees;
  - ii. that emphasizes the sex or sexual orientation of that employee or those employees in a manner which the actor knows or ought reasonably to know creates for that employee or those employees an intimidating, hostile, or offensive working environment; and
  - iii. that exceeds the bounds of freedom of expression or academic freedom as these are understood in University policies and accepted practices, including but not restricted to those explicitly adopted.

### **Sexual Harassment Grievances**

4:05 An employee may elect to submit a grievance alleging sexual harassment under the Collective Agreement or to file a complaint under the University's Sexual Harassment Policy:

- (a) An employee who elects to file a grievance under the Collective Agreement shall, if he or she wishes, have access to the mediation process in the University's Sexual Harassment Policy prior to Step 1 of the Grievance Procedure and may be accompanied by a Union representative during the process, if he/she chooses. An employee may withdraw from the mediation process at any time and resume the grievance process. Where the person normally hearing the grievance is the alleged harasser, the grievance shall be automatically forwarded to the next step in the Grievance Procedure.
- (b) Employees electing to proceed with a complaint under the University's Sexual Harassment Policy shall have the right to be accompanied by a Union representative at any stage of the process.
- (c) The time limit for filing a complaint under the University's Sexual Harassment Policy or a grievance alleging sexual harassment under this Collective Agreement shall be no longer than six (6) months after the occurrence of the matter that is the subject of the complaint/grievance.

4:06 No information relating to the grievor's personal background or lifestyle shall be admissible during the grievance or arbitration process.

4:07 Where an employee believes he/she has been the victim of sexual harassment, he/she may request, through the Union, to discontinue contact with the alleged harasser. Every effort shall be made to separate the parties in their employment relationship, without the complainant suffering any penalty. The University and the Union agree to treat requests to discontinue contact as confidential to those directly involved.

4:08 Witnesses who give information and/or evidence in a sexual harassment complaint shall suffer no penalty of an academic or other nature.

4:09 In the event that both the complainant and the respondent are employees covered by a Collective Agreement between CUPE 3902 and the Governing Council of the University of Toronto, the Union and the University will appoint a mutually-agreed upon third party to investigate the complaint. Within two (2) months, the investigator shall submit a report to the Union and the University. The report may recommend discipline: e.g., ordering an apology, counselling, etc. The report shall not preclude the possibility of a grievance being filed on behalf of the complainant or respondent.

4:10 In the event that a grievance alleging sexual harassment is referred to arbitration in accordance with Article 10, the Chairperson shall be selected from among the following persons:

Kevin Burkett  
 Louisa Davie  
 William Kaplan  
 Mary Ellen Cummings

Chairpersons shall be selected in rotation, commencing with the first person named. For each successive arbitration, the next person named shall be selected. If the person selected is unavailable within a reasonable time, the next person on the list shall be selected. Should none of the above be available within a reasonable time, the Parties may select a mutually agreeable alternative.

#### **ARTICLE 5: NO STRIKES AND NO LOCKOUTS**

5:01 The Employer undertakes that there will be no lockout as defined in the Labour Relations Act during the term of this Agreement. The Union undertakes that there will be no strike as defined in the Labour Relations Act during the term of this Agreement.

#### **ARTICLE 6: CORRESPONDENCE**

6:01 All correspondence between the Parties, arising out of this Agreement or incidental thereto, shall pass to and from the Director of Labour Relations or designate, 215 Huron Street, 8th Floor, Toronto, and the Secretary or Chair of the Union. For purposes of administering this Collective Agreement, wherever Vice-President, Human Resources & Equity is referred to, it is understood that a designated representative may be recognized and dealt with in his/her stead.

#### **ARTICLE 7: LABOUR/MANAGEMENT RELATIONS**

7:01 No employee or group of employees shall undertake to represent the Union at meetings with the University without the proper authorization of the Union. The University shall not meet with any employee or group of employees undertaking to represent the Union without the proper authorization of the Union. In representing an employee or group of employees, a representative of the Union shall be the spokesperson. In order that this may be carried out, the Union shall supply the University with the names of its Officers and representatives. Likewise the University shall supply the Union with a list of its Chairs and/or designates where the Chair is not the designate. Neither the Union nor the University shall be required to recognize such representatives until written notification has been received.

## **Discussion**

7:02 The Parties are agreed that discussion and communication on matters of mutual concern between employees or the Union and Departments of employment shall be encouraged, recognizing that the format of these discussions will vary from Department to Department.

## **Labour/Management Committee**

7:03 The Union and the University acknowledge the mutual benefit of joint consultation and agree, therefore, that there shall be a joint labour/management committee consisting of three (3) representatives from and selected by each Party. Meetings shall be arranged at the request of either Party through the Labour Relations Department, by submitting in writing the topics to be discussed. Such meetings shall take place, at a mutually agreeable time, within fifteen (15) working days of the receipt of the request for the meeting. Meetings shall not be used to discuss matters which are the subject of a grievance nor to discuss any matters which are, at the time, the subject of collective bargaining. The Committee shall function in an advisory capacity only, making recommendations to the Union and/or the University with respect to its discussions and conclusions, and shall not have the power to add to or modify the terms of this agreement. A representative of each Party shall be designated Co-Chairperson, and the two persons so designated shall alternate in presiding over meetings.

## **ARTICLE 8: DISCIPLINE AND DISCHARGE**

8.01 The University shall not discipline or discharge without just cause, and shall have due regard for the principles of progressive discipline.

8.02 An employee who is disciplined or discharged shall receive a copy of any written disciplinary notice, and the reasons therefor. The Union will also be sent an electronic copy of the notice within one (1) working day (24 hours) of the notice being sent to the employee.

8.03 When the Chair or designate requires an employee to attend an interview as part of an investigation which is likely to lead to discipline or discharge or for a meeting concerning discipline or discharge, the Chair or designate will inform the employee of the employee's right to have a Union representative attend such a meeting. If the employee requests representation by a Union representative, the Chair or designate will arrange for such representation without undue delay, and without further discussion of the matter with the employee concerned.

8.04 Nothing in this Article shall be construed in such a manner as to prevent the normal discussion between supervisors and employees concerning standards, expectations, or performance of work. Without in any way limiting the generality of the foregoing, the supervisor may, among other things, investigate, identify, and comment on unacceptable or unsatisfactory acts or omissions and set a reasonable time in which to correct the problem.

8.05 The Chair or designate shall be the sole Departmental authority responsible for issuing discipline and/or discharge.

8.06 All disciplinary meetings, interviews, and investigations shall be treated as confidential. If there is no resulting discipline or discharge, then all record of the matter shall be

removed from the personnel file of the employee. Notwithstanding, such records may be retained in a confidential Human Resources file.

- 8.07 For clarity, in Single Department Faculties, all references to Chair in this article shall be understood to refer to the Dean of the Faculty.

## **ARTICLE 9: GRIEVANCE PROCEDURE**

### **Definition**

9:01

- (a) A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the Collective Agreement.
- (b) The following shall not be subject to the Grievance Procedure:
  - (i) the fact of the University's failure to extend a contract beyond its defined end-date; or
  - (ii) any difference arising out of any hiring decision and/or failure to hire for any position;

Save and except circumstances in which the Union alleges a breach of Articles 4:01, No Discrimination, and/or 21:03, Appointments.

### **Statement of Grievance**

- 9:02 The statement of grievance submitted by the Union or University, and signed by the grievor(s), must contain the following: date of filing, nature and type of grievance (e.g., group, individual, policy), the article(s) of the Collective Agreement alleged to have been violated, a statement of the particular facts relevant to the grievance, including dates, and the remedy sought. The grievance must be set out in a manner which is clearly identified as a grievance.

### **Copy to Labour Relations**

- 9:03 The Union shall ensure that an electronic copy of every grievance filed under this article and referral at each step is sent to the Director of Labour Relations or designate at the time the grievance is filed.

### **Time Limits – Grievance Procedure**

- 9:04 Time limits as specified in Article 9 (Grievance Procedure) are directive in nature within the context of the mutual desire of the Parties to address grievances as quickly as possible. In the event that a grievance is filed after the time limit, the University reserves the right to dismiss the grievance on the basis of untimeliness. Where no answer is given within the time limit specified, the grieving party shall be entitled to submit the grievance to the next step of the Grievance Procedure. Saturdays, Sundays, and University holidays will not be counted in determining the time within which action is to be taken or completed under the Grievance Procedure. No grievance may be submitted to arbitration which has not been properly carried through all the requisite steps of the Grievance Procedure.

## **Complaint Stage (Optional)**

9:05 If an employee has an employment-related complaint, the employee may, as soon as possible after the occurrence of the matter which is the subject of the complaint, request a meeting with the employee's immediate supervisor in order to give the immediate supervisor an opportunity to adjust the complaint. If a resolution to the complaint is arrived at as a result of the meeting, the employee shall be allowed to request a statement of the resolution, in writing, from the supervisor. In the event that an employee requests such a statement in writing, the supervisor shall comply without undue delay. The Parties agree that a written statement provided in response to such a request shall not be relied upon or referred to by either Party as having any precedential or interpretative value, and shall be considered to have been made on a "without prejudice" basis.

## **Individual Grievances – Single Department Faculties**

9:06 Step 1: If an employee has a grievance, the employee shall within fifteen (15) working days after the occurrence of the matter present a written grievance to the Dean or designate of the Faculty. The Dean or designate of the Faculty will give a written decision to the employee and the employee's Steward or other designated Union representative within fifteen (15) working days of receipt of the grievance at Step 1.

Step 2: If the grievance is not resolved at Step 1, then, within ten (10) working days, the written grievance may be referred to the Vice-President, Human Resources & Equity (or designate), transmitted by a letter signed by the Chair or Grievance Officer of the Union. The Vice-President, Human Resources & Equity (or designate) will give a written decision to the Chair or Grievance Officer of the Union within fifteen (15) working days after receipt of the grievance at Step 2. If the grievance is not resolved at Step 2, the Union may refer the grievance to arbitration pursuant to Article 10 of the Collective Agreement, within fifteen (15) working days thereafter.

## **Individual Grievances – Multi-Department Faculties**

9:07 Step 1: If an employee has a grievance, the employee shall within fifteen (15) working days after the occurrence of the matter present a written grievance to the Chair or designate of the Department. The Chair or designate of the Department will give a written decision to the employee and the employee's Steward or other designated Union representative within fifteen (15) working days of receipt of the grievance at Step 1.

Step 2: If the grievance is not resolved at Step 1 (Departmental level), then, within ten (10) working days, the written grievance may be referred to the Dean or designate of the employee's Faculty. The Dean (or designate) of the employee's Faculty will give a written decision to the employee and the Grievance Officer within fifteen (15) working days after receipt of the grievance at Step 2. Grievances which would otherwise proceed from Step 1 to Step 2 may proceed from Step 1 to Step 3 if arranged by mutual agreement in writing between the Parties hereto prior to the expiry of the initial time limit for referral to Step 2. When mutual agreement with respect to such a request is reached, the time limit for referral from Step 1 to the next step (Step 3) shall be extended by ten (10) working days to a total of twenty (20) working days, and the time limit for response at Step 3 shall be extended from ten (10) working days after receipt of the grievance at Step 2 to twenty (20) working days after the receipt of the grievance at Step 2.

Step 3: If the grievance is not resolved at Step 2, then, within ten (10) working days, the written grievance may be referred to the Vice-President, Human Resources & Equity (or designate), transmitted by a letter signed by the Chair or Grievance Officer of the Union. The Vice-President, Human Resources & Equity or designate will give a written decision to the Chair or Grievance Officer of the Union within fifteen (15) working days after receipt of the grievance at Step 3. If the grievance is not resolved at Step 3, the Union may refer the grievance to arbitration pursuant to Article 10 of the Collective Agreement, within fifteen (15) working days thereafter.

### **Group Grievance**

9:08 A group grievance, which is defined as an alleged violation of this Agreement concerning two (2) or more employees employed in the same Department, follows the same procedure as the individual grievance procedure.

### **Policy Grievance**

9:09 A policy grievance of the University, or a policy grievance of the Union which is distinguished from an individual employee's grievance or a group grievance, and which is defined as a difference arising between the University and the Union as to the interpretation or alleged violation of a specified provision or provisions of this Agreement affecting the University or the Union as such, shall be produced in writing, signed by the Chair or designate of the Union, or the Vice-President, Human Resources & Equity or designate, as the case may be, and submitted to:

- (a) for cases involving one (1) or more Department(s), all within a multi-Department Faculty to the Dean or designate of the employee's Faculty;
- (b) in all other cases, to the Vice-President, Human Resources & Equity or designate or the Chair of the Union or designate, as the case may be, within forty-five (45) working days after the occurrence of the matter which is the subject of the grievance.

It is expressly understood that the provisions of this article may not be used by the Union to institute or duplicate any individual or group grievance directly affecting an employee or employees (which such employee(s) could personally initiate, thereby passing or paralleling the regular grievance procedure, whether or not such individual or group grievance has been filed). The initiating party in its written grievance must state the nature and basis of the grievance clearly and fully. The responding party shall provide a written response within fifteen (15) working days after receipt of the grievance. If the grievance is not resolved, the initiating party may notify the other party in writing within a period of fifteen (15) working days that it intends to proceed to arbitration pursuant to Article 10 of this Collective Agreement.

### **Suspension or Discharge Grievance – Single Department Faculties**

9:10 In the case of an employee who has been suspended or discharged, the employee may submit a grievance, in writing, signed by the employee, at Step 2 of the Grievance Procedure within five (5) working days after the employee's suspension or discharge. The Vice-President Human Resources and Equity or designate in Step 2 shall meet with the Chair of the Union and the Grievance Officer within a period of five (5) working days after receipt of the written grievance. If the grievance is not settled at this meeting, or within a period of five (5) working days following the meeting, then the Union may notify

the University in writing within a further period of five (5) working days that it intends to proceed to arbitration pursuant to Article 10 of this Collective Agreement.

### **Suspension or Discharge Grievance – Multi-Department Faculties**

9:11 In the case of an employee who has been suspended or discharged, the employee may submit a grievance, in writing, signed by the employee, at Step 2 of the Grievance Procedure within five (5) working days after the employee's suspension or discharge. The Dean or designate shall meet with the Chair of the Union and the Grievance Officer within a period of five (5) working days after receipt of the written grievance. If the grievance is not settled at this meeting, or within a period of five (5) working days following the meeting, then the Union may notify the University in writing within a further period of five (5) working days that it intends to proceed to Step 3 of the Grievance Procedure. The Vice-President, Human Resources & Equity or designate shall meet with the Chair of the Union and the Grievance Officer within a period of five (5) working days after receipt of the written grievance at Step 3. If the grievance is not settled at this meeting, or within a period of five (5) working days following the meeting, then the Union may notify the University, in writing, within a further period of five (5) working days that it intends to proceed to arbitration pursuant to Article 10 of this Collective Agreement.

### **ARTICLE 10: ARBITRATION**

10:01 If a grievance is not settled at Step 3 (Step 2 for Single Department Faculties), either party may notify the other within a further period of fifteen (15) working days after receiving the written reply that it intends to proceed to arbitration. The notice of intention to proceed to arbitration shall contain the details of the grievance, a statement of the issue in dispute, and a statement of the type of remedy sought by the party from an arbitrator.

10:02 The provisions of this article shall be based on the use of a single arbitrator, unless the provisions of Article 10:06 are specifically invoked.

Sole Arbitrators shall be selected in rotation from the following list, commencing with the first person named. For each successive referral to arbitration, the next person named shall be selected:

William Kaplan  
 Russell Goodfellow  
 Mary Ellen Cummings  
 Marilyn Nairn  
 Kevin Burkett  
 Laura Trachuk

If the person selected is unavailable within a reasonable time, the next person on the list shall be selected. Should none of the above be available within a reasonable time, the Parties may select a mutually agreeable alternative. In any event, the Parties shall attempt to select a Sole Arbitrator within twenty (20) working days of the notice of intent to proceed to arbitration. In the event that the Parties are unable to agree on a hearing within a reasonable time, either party may request that the Minister of Labour appoint a Sole Arbitrator.

10:03 An arbitrator shall not have the authority to make any decision which is inconsistent with the terms of the Agreement nor to add to or amend any of the terms of the Agreement.

The jurisdiction of the arbitrator shall be confined to the issue in dispute. The decision of the arbitrator shall be final and binding upon the Parties.

- 10:04 In the event that an arbitrator deals with a matter relating to discharge, suspension or disciplinary action, then the arbitrator has the authority to reinstate an employee with or without compensation for wages and any other benefits lost, or to make any other award he/she may deem just and reasonable which would be consistent with the terms of the Agreement.
- 10:05 The Parties shall jointly and equally bear the fees and expenses of the arbitrator.
- 10:06 Either party may request the establishment of a board of arbitration in respect of any grievance submitted for arbitration. In such a case, the Parties shall each appoint a nominee to the board of arbitration and the chairperson of the board of arbitration will be one of the arbitrators set out in Article 10:02 above or such other chairperson as the two nominees appointed by the Parties otherwise agree. Each party shall bear the fees and expenses of its own nominee to an arbitration board, and the Parties shall jointly and equally bear the fees and expenses of the Chairperson. The provisions of Articles 10:01, 10:03, 10:04, 10:07, and 10:08 apply to a board of arbitration. The decision shall be unanimous or one reached by the majority of the members of the board; provided, however, that if there is no majority decision of the board then the decision of the Chairperson shall constitute the final and binding decision of the board.
- 10:07 Saturdays, Sundays, and University holidays will not be counted in determining the time within which action is to be taken or completed under the Grievance Procedure.
- 10:08 Time limits set forth in this article may be extended by mutual agreement in writing between the Parties hereto.

## **ARTICLE 11: LEAVES**

### **Pregnancy Leave**

- 11:01 An employee who has been employed for at least thirteen (13) weeks and who is pregnant shall be granted a pregnancy leave of absence of up to seventeen (17) weeks upon written request submitted at least two (2) weeks in advance and submission therewith of a certificate from a legally qualified medical practitioner (e.g., physician, obstetrician/gynecologist, midwife) confirming that she is pregnant and the probable date of delivery. The employee and the employing Department shall record in writing their joint understanding of the anticipated beginning and ending dates of the leave; however, the ending date of a leave may not be extended beyond the ending date of the employee's appointment.

An employee may return to work within the original period of appointment upon giving four (4) weeks' notice in writing of her intention to do so or upon confirming her previous arrangement for return. The employee shall be reinstated to her position or shall be provided with alternative work of a comparable nature at the same rate of pay for the remainder of her appointment.

- 11:02 In the event of a miscarriage, a stillbirth, or birth of the child earlier than expected, the employee may begin her leave immediately, but shall notify her employing Department as soon as possible, but no later than ten (10) working days subsequent to her first day of leave; the employee shall provide a certificate from a legally qualified medical

practitioner (e.g., physician, obstetrician/gynecologist, midwife) stating the date of birth, stillbirth, or miscarriage, and the date the employee was expected to give birth.

- 11:03 Effective March 1, 2015, the University will pay the lesser of seven hundred (700) dollars or ninety-five (95) percent of salary during the two (2) week waiting period for Employment Insurance benefits, provided that the employee applies for, and receives, Employment Insurance.

For the next fifteen (15) weeks, or until the end of the appointment (whichever comes first), the University will pay the lesser of three hundred (300) dollars or the difference between Employment Insurance benefits and ninety-five (95) percent of the actual salary which she was receiving on the last day worked prior to the commencement of the maternity leave, provided that the employee applies for, and receives, Employment Insurance.

### **Parental Leave**

- 11:04 An employee who has been employed for at least thirteen (13) weeks and who is the parent of a child is entitled to a leave of absence without pay for up to thirty-five (35) weeks following (a) the birth of the child; or (b) the coming of the child into the custody, care and control of the employee for the first time.

An employee who has not taken pregnancy leave is entitled to a leave of absence without pay of up to thirty-seven (37) weeks.

Application for such leave shall be submitted in writing to the employing Department at least two (2) weeks in advance, indicating the date on which the leave is to begin. Parental leave may begin no more than fifty-two (52) weeks after the day the child is born or comes into the custody, care and control of the employee for the first time. Parental leave of an employee who takes a pregnancy leave must begin when the pregnancy leave ends, unless the child has not yet come into the custody, care and control of the employee for the first time.

An employee may return to work within the original period of appointment upon giving four (4) weeks' notice in writing of his or her intention to do so or upon confirming his or her previous arrangement for return. The employee shall be reinstated to his or her position or shall be provided with alternative work of a comparable nature at the same rate of pay for the remainder of his or her appointment.

Effective March 1, 2015, the University will pay the lesser of seven hundred (700) dollars or ninety-five (95) percent of salary during the two (2) week waiting period for Employment Insurance benefits, provided that the employee applies for, and receives, Employment Insurance.

For the next eight (8) weeks, or until the end of the appointment (whichever comes first), the University will pay the lesser of three hundred (300) or the difference between Employment Insurance benefits and ninety-five (95) percent of the actual salary which he/she was receiving on the last day worked prior to the commencement of the parental leave, provided that the employee applies for, and receives, Employment Insurance.

In the case where the employee who is the parent of a child stops working because the child comes into the custody, care and control of the parent for the first time sooner than expected, the employee must provide written notice that he/she wishes to take leave within two (2) weeks of stopping work.

### **Absence from Work for Union Business – Collective Bargaining Meeting**

11:05

## **ARTICLE 16: UNION SECURITY**

- 16:01 Membership in the Union shall be on a voluntary basis; however, as a condition of employment, each employee shall have deducted by the University from each monthly pay during the term of the Agreement an amount equivalent to the Union dues or any assessments as are uniformly levied upon all members of the Union in accordance with its Constitution and By-laws. The amount of such dues shall be certified to the University in writing by the Secretary-Treasurer of the Union. Notice of any change in dues must be provided in writing to the University by the Secretary-Treasurer of the Union. Where the change is solely a change in the percentage rate of dues deducted, it shall be effective on the first day of the month following the period of thirty (30) days from actual receipt of the notice; other changes shall be effective on the first day of the month following the period of sixty (60) days from actual receipt of the notice. The University shall not be required to implement any change in dues affecting only a portion of the monthly pay.

The University shall remit the amount deducted in accordance with this Article to the Union not later than ten (10) working days from the date on which the deduction has been made. Each remittance to the Union shall be accompanied by an electronic list of the employees from whose pay the deductions have been made. This list shall also include personnel numbers; salaries; addresses; telephone number(s); and e-mail addresses as may exist in the University's HRIS system. On an academic term (i.e., three times a year) basis, the University shall provide an electronic listing of first name,

last name, department of employment, and start and end date of current contract of all employees in the Bargaining Unit. In addition, the University agrees to provide a count of the number of international postdoctoral fellows in the Bargaining Unit on an academic term (i.e., three times a year) basis. The provision of any information by the University shall be in the form and/or format determined by the University, which may be varied by the University at the University's sole discretion. The University agrees to provide the Union with two (2) months advance notice of its intention to alter the form and/or format.

16:02 All enquiries concerning Union dues or dues deductions should be directed to CUPE/SCFP, Local 3902, 180 Bloor Street West, Suite 803, Toronto, Ontario M5S 2V6, telephone: 416 593-7057 email: [info@cupe3902.org](mailto:info@cupe3902.org).

16:03 The Union will indemnify and save the University harmless from any and all claims which may be made against it by an employee(s) for amounts deducted from pay as provided for in this Article.

16:04 The University agrees to inform all new employees that a collective agreement is in effect in each employee's letter of offer of employment.

In the interest of environmental conservation, the collective agreement will be posted on the University's Human Resources & Equity website and the link to said website will be provided to all employees in the Bargaining Unit in each employee's letter of offer of employment.

The University will provide the Union with an electronic copy and fifty (50) printed copies of the Collective Agreement.

16:05 The hiring Department shall provide to all employees a one-page (letter-size, possibly double-sided) statement about the Union, prepared by the Union, provided that the statement is first forwarded to the Director of Labour Relations (or his/her designate) for information and for approval as to its factual accuracy. If the Director of Labour Relations (or designate) does not provide notification of errors or inaccuracies to the Union within two (2) weeks of receiving the statement, the information shall be presumed to be acceptable. The statement shall be provided preferably at or prior to the time the employee receives his/her letter of offer of employment in this Bargaining Unit, but in any event, no later than the start of the position.

16:06 The University agrees to issue, upon request from the Union in writing, a library card (valid at both Robarts Library and Bora Laskin Law Library) to the Staff Representative(s) of the Union. There shall be no charge to the Union or to the Staff Representative(s) for the card. Use of the card shall be subject to the general regulations made from time to time by the University and/or the Library. Access to the Bora Laskin Law Library shall include access to all online legal resources available for University of Toronto library card holders who are not students or faculty in the Faculty of Law.

17:02 The Union shall notify the University, in writing, of the name of each Steward, the Steward's Department of employment, and the Department or Departments the Steward

represents, and the names of the members of the Grievance Committee. Upon such notification the Employer shall recognize such Stewards or Grievance Committee members. It is agreed that the Steward representing a Department (or group of Departments) shall be employed in that Department (or group of Departments) at the time of notification of selection as Steward.

## **ARTICLE 18: PERSONNEL FILE**

- 18:01 A personnel file shall be maintained within the Department for each employee employed within it, which shall be separate from the employee's health or medical records, if any. All contents of an employee's personnel file shall be treated as confidential.
- 18:02 An employee or former employee within twelve (12) months from the termination of most recent employment may review his/her personnel file, provided that at least two (2) working days' prior notice is given to the appropriate divisional Human Resources office. The University shall provide to an employee copies of any document contained in the personnel file upon request.

## **ARTICLE 19: POSTINGS**

- 19:01 The Parties acknowledge that Postdoctoral Fellow candidates come to the attention of, and are selected by, potential supervisors through a number of avenues, including direct communication with a candidate(s) and/or with colleagues.
- 19:02 In the event that the University chooses to post for Postdoctoral Fellow opportunities, the University agrees that a hiring decision will not be made sooner than ten (10) working days after the date of posting. For clarity, this provision shall in no way limit the University's discretion to recruit and hire in accordance with Article 19:01.
- 19:03 A posted opportunity will, in addition to reasonable locations of the University's choosing, be provided electronically to the Union.
- 19:04 A posting will identify the following: description of the area or topic of research, remuneration, supervisor and academic unit, date of posting and application deadline, start date and duration of the appointment, required qualifications, the application procedure, and any documentation required for application (*e.g. CV, references, publications, etc.*).

All postings shall include the following statement: "Employment as a Postdoctoral Fellow at the University of Toronto is covered by the terms of the CUPE 3902 Unit 5 Collective Agreement."

## **ARTICLE 20: HOURS OF WORK**

- 20:01 The normal hours of work shall be forty (40) hours per week (pro-rated for those holding a partial appointment), recognizing that the needs of the employee's research and training and the needs of the supervisor's research program may require flexibility in the performance of the employee's duties and hours of work over the course of a monthly pay period.
- 20:02 No employee shall be required by a supervisor to work more than fifty (50) hours in any one (1) work week or more than one hundred and seventy-three (173) hours in any monthly pay period.

- 20:03 An employee must obtain advance written approval from his/her supervisor to be paid for hours of work in excess of one hundred and seventy-three (173) in any monthly pay period.
- 20:04 If an employee complies with Article 20:03, the employee will be entitled to either overtime pay or compensatory time off in lieu of overtime pay. Such overtime pay shall be calculated at a rate of 1.5 hours for every additional hour worked.
- 20:05 When an employee requests compensatory time off in lieu of overtime pay in accordance with 20:04 above, the employee will discuss this request with his/her supervisor and time in lieu will be taken on date(s) mutually agreeable to the supervisor and employee and not later than six (6) months following the pay period in which the time was earned and prior to the end of the employee's contract. In the event agreement cannot be reached, the employee shall be compensated in accordance with Article 20:04.
- 20:06 Employees shall submit to the Business Officer designated by the supervisor, in writing, no later than the first working day of the week, the number of hours he or she worked in the previous week. If the employee fails to do so, the hours worked for the previous week shall be deemed to be forty (40), or the regular weekly hours of work if the employee holds a part-time appointment unless the supervisor has authorized overtime pursuant to Article 20:03.
- 20:07 If a supervisor approves an employee's attendance at a conference, seminar or workshop, time spent travelling to and from such events and time spent attending such events shall be deemed to be part of the employee's normal hours of work in accordance with Article 20:02 and shall not result in overtime compensation in accordance with Article 20:04. It is the mutual responsibility of the supervisor and the employee to make necessary adjustments to the employee's schedule such that the hours of work fall within one hundred and seventy three (173) per monthly pay period in accordance with Article 20:02, unless advance written approval for overtime has been granted in accordance with Article 20:03.
- 20:08 The Parties recognize that some postdoctoral fellowships may include teaching as a component of the overall fellowship which may be communicated as part of the initial engagement, notwithstanding that such teaching when conducted by postdoctoral fellows is not covered by this Collective Agreement. When teaching forms part of the overall fellowship, the employment in this Bargaining Unit will be understood to be on a part-time or partial basis for the purpose of this clause. It is further understood that, in these cases, the total regular hours of work including both teaching employment and fellowship employment shall not exceed one hundred seventy three (173) hours of work per monthly pay period in accordance with Article 20:02.

The University will provide to the Union a list of appointments made under 20:08 on an annual basis.

- 20:09 Except where teaching is made part of the overall fellowship in accordance with Article 20:08, an employee may accept a teaching position at the University of Toronto in recognition of the required flexibility in research and training in Article 20:01. Acceptance of such a position requires the prior written approval of the supervisor. Where such approval is not given, the supervisor shall provide written reason(s) therefor. Where such approval is given, the supervisor shall also determine, in consultation with the employee, an appropriate adjustment, if any, in the hours of work and, where appropriate, remuneration so as to ensure that the employee's regular total hours of work do not

exceed one hundred seventy three (173) hours per monthly pay period in accordance with Article 20:02.

## **ARTICLE 21: APPOINTMENTS**

- 21:01 Appointments shall not normally be for periods of less than twelve (12) months in circumstances where funding has been secured.
- 21:02 Unless otherwise indicated, it is understood that the employment relationship will end on the last day of the contract as indicated in the letter of offer. In such cases, no additional notice is required.
- 21:03 Both the Postdoctoral Fellow and the University may terminate the employment relationship early by providing two (2) months written notice. The University retains the discretion to provide the equivalent of two (2) months' salary in lieu of working notice. The Union will be informed without undue delay of early terminations made by the University pursuant to this clause.

In the event an employee is terminated after three (3) months of employment in this Bargaining Unit in accordance with this clause, the University shall provide the reason for such early termination to the employee.

Early terminations in accordance with this Article are not subject to the grievance and arbitration procedure outlined in Articles 9 and 10.

- 21:04 The maximum duration of a Postdoctoral Fellow employment contract including all renewals is six (6) years.
- 21:05 Once in each contract year, the Union shall be entitled to request by letter to the Director of Labour Relations a copy of all letters of offer for active Bargaining Unit employees in not more than three (3) Departments. Upon receiving this request, the University will provide the Union with copies of those letters with fifteen (15) working days. The Union agrees to keep the contents of these letters confidential.

## **ARTICLE 22: EMPLOYMENT POLICIES**

- 22:01 In addition to all provisions of this collective agreement, employees will also be subject to, and bound by, University policies of general application and their related guidelines. These policies confirm the University's commitment, and the employee's obligation, to support a workplace that is free from discrimination and harassment as set out in the [Human Rights Code](#), the [Occupational Health and Safety Act](#), and that respects the University's commitment to equity and to workplace civility.

All of the applicable policies may be amended and/or new policies may be introduced from time to time, and will be binding terms of the employment contract with the University.

The University will notify the Union of approved changes to such applicable policies.

- 22:02 Without restricting in any way the generality of the foregoing, and while recognizing their status as employees under this Collective Agreement, the Union and the University agree that the University of Toronto Governing Council [Statement of Institutional Purpose](#), and [Statement on Freedom of Speech](#), as they may exist from time to time, apply to members of the Bargaining Unit.

22:03 Without restricting in any way the generality of the foregoing, and while recognizing their status as employees under this Collective Agreement, the Union and the University agree that the University of Toronto Governing Council *Inventions Policy*, and the *Copyright Policy*, as they may exist from time to time apply to members of the Bargaining Unit.
