Step One

11:02 An employee may request his/her supervisor to call the Union Steward to handle a specified grievance. The word "specified" as used in this paragraph is interpreted by the parties hereto to mean an employee is required to "state the nature of the grievance." The supervisor will arrange to send for the Union Steward without undue delay and without further discussion of the grievance.

11:03 The Union Steward, with or without the employee present, will attempt to adjust the grievance with the supervisor before it is given to the supervisor in writing.

11:07 A grievance of the Employer, or a policy or group grievance of the Union which is distinguished from the individual employee grievance, must be sent by registered mail, or be personally delivered to the Director of Labour Relations of the Employer or the Business Manager of the Union, as the case may be, within fifteen (15) working days

after the occurrence of the matter which is the subject of the grievance. The notice to proceed to arbitration shall contain the details of the grievance, a statement of the matter in dispute, a statement of the actual remedy sought by the party from the arbitration board, and the name and address of the party's nominee as arbitrator.
- 12:03 The party who receives the notice of intention to proceed to arbitration shall then notify the other party of the name and address of the party's selection of an arbitrator within fifteen (15) working days after receiving the notice. If the parties are unable to agree upon the selection of an arbitrator within a period of fifteen (15) working days, either of the nominees shall then have the right to request the Minister of Labour for Ontario to appoint an arbitrator.
- 12:05 Each party shall jointly and equally bear the fees and expenses of the arbitrator.

Jurisdiction of Arbitration

12:09 No arbitrator shall have any authority to make any decision which is inconsistent with the terms of this Agreement, nor to add to or amend any of the terms of this Agreement. The jurisdiction of the arbitrator shall be strictly confined to dealing with the issue in dispute between the parties and the type of relief sought as outlined in the notice of intention to proceed to arbitration.

12:10 The decision of the arbitrator shall be final and binding upon the parties. Where a grievance is referred to a Board of Arbitration in accordance with Article 12:06, the decision shall be unanimous or one reached by a majority of the members of the board; provided, however, that if there is no majority decision of the members of the board, then the decision of the Chairperson shall constitute the final and binding decision of the board. In addition, a board of arbitration shall be bound by articles 12:07-12:10 in the same manner as a sole arbitrator.

12:11 Time limits set forth in the grievance or arbitration procedures may be extended by mutual agreement in writing between the parties hereto.

Applicants must provide the University with an up-to-date resume or application within the time period indicated on the posting. The Employer will consider the applicant's qualifications, which shall include knowledge, skill, previous relevant experience, ability to perform the job. Where it is determined

that two or more applicants are equal, seniority shall be the governing factor. If the Employer determines there are no qualified internal applicants the Employer may arrange to hire outside of the bargaining unit.

Conditional on satisfactory performance the employee shall be confirmed after completion of the thirty (30) working days. It is understood that when an employee exercises this option, he/she shall be paid the rate for the lower classification.
- 15:04 In the event of a tie in seniority between two or more employees, the Employer will interpret seniority standing for layoff purposes by ranking such employees by date of commencing work as a Temporary Journeyman Machinist/Millwright immediately

prior to the date of last hiring. In the event that this ranking also produces a tie in seniority between two or more employees, the Employer will then interpret seniority standing for layoff purposes by ranking such employees in alphabetical order.

- 15:05 A seniority list by classification will be prepared and forwarded to the Union office on or about the 30th day of November during the term of this Agreement.
- 15:06 An apprentice shall not acquire seniority until he/she has successfully completed the apprenticeship programme and has continued employment with the Employer, at which time he/she shall be credited with seniority retroactive to the date on which he/she was initially employed as an apprentice. Definition

- 23:01 Sick leave is defined as absence because of an employee's illness or injury not incurred in the performance of regular duties, or absence because of quarantine through exposure to contagious disease, or because of an accident for which compensation under the *Workplace Safety and Insurance Act* is not payable. The purpose of the Sick Leave Plan is to provide against loss of earnings for University employees who are prevented by sickness or accident from performing their regular duties.

Basis of Leave

- 23:02 All full-time employees upon completion of sixty (60) working days shall be eligible to be granted sick leave with pay for periods of up to fifteen (15) weeks during unavoidable absence due to illness or injury not compensable under the provisions of the *Workplace Safety and Insurance Act*.

In the event of a recurrence of an illness or injury within three (3) months of a return to work following the most recent absence, such recurrence shall be deemed to be a continuation of the original illness or injury for the purpose of sick leave pay. In the event of a recurrence of an illness or injury beyond three (3) months of a return to work following the most recent absence such recurrence shall be deemed to be a new illness or injury.

- 23:03 In each calendar year commencing May 1st, sick leave with pay will be granted in accordance with the following provisions: After the third (3rd) period of absence due to illness, no pay will be granted for the first one (1) day of sick leave absence. After the fourth (4th) period of absence due to illness, no pay will be granted for the first two (2)

days of sick leave absence. After the fifth (5th) or any subsequent period of absence due to illness, no pay will be granted for the first three (3) days of sick leave absence.

- 23:04 Article 23:03 shall not apply in the first (1st) occurrence in the event an employee is absent due to an accident or an injury requiring the attention of a physician or in the instance of an employee who is hospitalized, nor shall such absences be counted in determining the number of periods or absences referred to in Article 23:03.

An employee, with prior written notification, may be required by the employee's manager or designate to provide a doctor's certificate certifying that the employee is unable to carry out the employee's normal duties due to illness. The employer will, upon proof of payment, reimburse the employee for the cost of the certificate.

Medical Examination

Misuse of Sick Leave

- 23:08 Where it has been established that an employee has misused the sick leave provisions, such misuse will be cause for termination of services by the Employer.

Medical Examination Required During Employment

- 23:09 Where the Employer has reason to believe that the employee may not be able to safely or satisfactorily perform his/her duties, as a result of injury, accident, illness or for other reasons, the employee may be required to be certified by a legally qualified Medical Practitioner employed by the Employer.

It is understood that the specific results of any examination will not be made available to the employer and that the medical report shall consist of either fit, or unfit for duty, or fit for modified duty as specified.

Dispute Over Medical Examination

- 23:10 Should a dispute arise between an employee and the Employer's Medical Practitioner as to the employee's fitness, the employee shall be referred to an independent medical consultant mutually agreed upon by the Union and the Employer. The consultant's opinion shall be considered the final decision as to the employee's fitness to continue to work at his/her regular occupation.

Workplace Safety and Insurance Benefits

- 23:11 An employee who is prevented from performing his/her regular work with the Employer as a result of an occupational accident that is recognized by Workplace Safety and Insurance Board as compensable within the meaning of the *Workplace Safety and Insurance Act* shall receive from the Employer the difference between the amount paid by the Workplace Safety and Insurance Board and the employee's regular salary from the first day of the said accident. Payment from the Employer shall not exceed a term of fifteen (15) consecutive weeks for each accident compensable by the Workplace Safety and Insurance Board.

Hospitalized During Vacation

- 23:12 An employee who is hospitalized or confined by order of a doctor during his/her vacation period will be allowed to draw sick leave with pay for the period of time for which he/she is hospitalized or confined providing that the employee furnishes proof of such hospitalization to his/her supervisor. The employee will be allowed to reschedule that portion of vacation during which he/she was hospitalized at a later date mutually agreeable to the employee and his/her supervisor.

If the employee's spouse or immediate family member becomes hospitalized or comes under a doctor's care during the employee's vacation, the employee may request an interruption of vacation and return to work.

courses should be taken outside of normal working hours. However, if the course is not otherwise available, one such course at a time may be taken during normal working hours provided the approval of the Department Head is obtained and alternative work arrangements are made.

2. Fifty (50) Percent Tuition Reimbursed

Fifty (50) percent of tuition fees will be reimbursed to a qualifying staff member who shows successful completion of a job-related course given at a recognized educational institution (other than those in 1. above). Such courses should be taken on the staff member's own time, after normal working hours and must be either:

- 1) Individual skill improvement courses which are related to the staff member's present job or to jobs in the same field to which the staff member might logically aspire, or
- 2) Courses of study leading to undergraduate certificates, diplomas or degrees offered at recognized educational institutions. Such courses must either be an asset to the staff member in the performance of his/her present job or directly related to his/her potential career. Individual courses, even though unrelated, will qualify provided they are part of an eligible certificate, diploma or degree program.

SCHEDULE XII: TUITION WAIVER FOR DEPENDANTS OF STAFF

INTRODUCTION

In order to assist staff members who have dependants or a spouse or partner who wish to pursue university studies, towards their first undergraduate degree or certificate, the University will extend a waiver of the academic tuition fee for specific University of Toronto programs. It is agreed that the University may amend the aforesaid policy from time to time.

TERMS OF REFERENCE

An eligible spouse, partner or dependant must have met the admission requirements for the qualifying program and followed the normal procedures regarding application for admission and registration before application is made for tuition waiver.

For the purposes of this policy:

- Dependant shall include the natural, legally adopted, step or foster child of the employee or spouse, who is not engaged in active employment and is dependent on the employee or spouse for financial support, and is under the age of twenty five (25).
- Spouse shall mean spouse as defined in the Ontario Human Rights Code as amended by the Spousal Relationship Statute Law Amendment Act, 2005;
- Academic tuition fee by definition excludes application, registration service, examination and other incidental fees.

ELIGIBILITY

This benefit is available to:

- Staff members of the University, full-time or part-time of twenty-five percent (25%) or more, or sessionals. In the case of part-time staff members, the benefit will be pro-rated in accordance with the part-time appointment.
- Dependant, spouse or partner proceeding towards a degree or first certificate in a qualifying programme (not special students). Qualifying programs are described under PROVISIONS (below).
- Staff members on approved leave of absence who have a commitment to return to their job, who are maintaining enrolment in all benefit programs.

PROVISIONS

Eligible dependants will have their academic tuition fee waived for each academic year of the programme until the degree or certificate is awarded.

The academic tuition fee waiver is applicable to programs, which lead to a first undergraduate degree or certificate, and which do not require prior undergraduate preparation since admission is normally gained directly from high school to the program of study. In cases where

the program requires undergraduate preparation, only the undergraduate courses taken as part of the preparation are eligible

For clarity, the fee waiver is applicable to the Transitional Year Programme and the Academic Bridging Programme.

Programmes in the following areas are also not eligible:

- Royal Conservatory of Music
- School of Continuing Studies
- Woodsworth College diplomas

Where a student receives a scholarship, which provides for the payment of fees, the terms of the scholarship will apply prior to any waiver of tuition under this policy.

Questions concerning this policy should be directed to the local Human Resources Department

The value of the tuition waiver under this provision is a taxable benefit to the employee.

MEMORANDUM OF UNDERSTANDING: ELECTRONIC TRANSFER OF WAGES

All full-time employees will receive their pay every two (2) weeks by electronic transfer of funds into their respective financial institution account. All new employees will be required to complete a Payroll Bank Deposit Authorization Card and provide a sample voided cheque on commencement of employment. In the event an employee changes financial institutions or accounts within their current financial institution, it is the employee's responsibility to notify the Employer by completing another Payroll Bank Deposit Authorization Card.

MEMORANDUM OF AGREEMENT: APPRENTICE INDUSTRIAL MECHANIC (MILLWRIGHT)

The Employer and the Union recognize the desirability of a broad apprentice program for industrial mechanics (millwrights). The parties have reached the following understanding:

1. An apprentice program for industrial mechanics (millwrights) is established by the Employer for the purpose of training applicants selected by the Employer as industrial mechanics (millwrights). The apprentice program will be for eight thousand (8,000) hours or approximately four (4) years in length including related and classroom training.
2. The Employer shall have the sole authority to determine the number of apprentices, assign and assess work and administer discipline.
3. In order to become apprenticed under this agreement, persons must meet the following criteria:

4. Each apprentice shall enter into an agreement with the Employer to serve the terms and conditions of apprenticeship and the apprentice agreement shall be registered, as appropriate, with the Ontario Ministry of Skills and Development.
5. An apprentice shall progress through the program as set out below. Progress of the apprentice will be reviewed by the Working Foreperson and the Manager of Trades Services or their designates. Should such a review reveal unsatisfactory progress,

either in practical or related classroom instruction on the part of the apprentice, the Employer may cancel the apprenticeship agreement with the employee for just and reasonable cause. The Union will be kept informed of the progress of the apprentice.

6. The parties acknowledge that an apprentice may at times be required to attend instructional training as provided for by the Ministry of Education and Training to complete required modules. During this period of time, the apprentice will not be paid by the Employer. He/she may however apply for employment insurance benefits.
7. **Progression**

Apprentice IV

Incumbent having six thousand (6,000) to eight thousand (8,000) hours of instructional and on-the-job training experience and has successfully completed the appropriate training modules set by the Ministry of Education and Training; incumbent is paid at 85 percent of the industrial mechanic wage rate as set out in the collective agreement.

8. An apprentice shall be entitled to all the terms and conditions of employment as set out in the collective agreement, except for Article 14:01 - Probationary Employees and Articles 15:01 and 15:02 -- Seniority.
9. An employee who successfully completes the apprentice program and receives a certificate from the Ministry of Skills and Development, and if he/she has been appointed on full-time staff as a Industrial mechanic, shall be entitled to seniority retroactive to the date he/she was initially employed as an apprentice.

10. September 7, 2012

Mr. Steven Martin
Business Representative
International Brotherhood of Electrical
Workers, Local 353
1377 Lawrence Avenue East
North York, Ontario
M3A 3P8

Dear Mr. Martin,

It is agreed for the duration of the present collective agreement the University will contribute a total of two thousand dollars (\$2,000) per year to the Child Care Benefit Pool detailed in Appendix A.

Yours truly,

Alex Brat
Director, LR Operations

APPENDIX A: POOLED EMPLOYEE CHILD-CARE BENEFIT PLAN

Members with a dependent eligible child under the age of seven will be eligible for reimbursement of child-care expenses as follows:

PART 1

- 1) The maximum half-day reimbursement will be \$10.00 per day. A half-day is defined as a minimum of four (4) hours to a maximum of six (6) hours of care, or where the parent is being charged a half-day rate by the child care provider.
- 2) The maximum full-day reimbursement will be \$20.00 per day. A full-day rate is defined as six (6) or more hours of care, or where the parent is being charged a full-day rate.
- 3) Reimbursement is limited to fifty percent (50%) of the lesser of (i) the amount actually paid; and (ii) the usual and customary amount charged by the service provider for the same child care services. Between January 1 and February 1, 2010, and between January 1 and February 1 of subsequent calendar years, members must provide to the University, in a single package, detailed receipts substantiating the child care expenses in respect of which reimbursement is sought for the previous calendar year along with proof of payment (e.g., credit card receipt, front and back of cancelled cheque, or a validated receipt). Reimbursement in respect of a calendar year shall be made in one lump sum cash payment, less applicable withholdings, if any.
- 4) Reimbursement will be made only for child care expenses (as defined in the *ITA-Income Tax Act*) incurred by the Member. The University makes no representations as to whether a deduction from income is available under the *Income Tax Act* in respect of any amounts paid or payable under this plan.
- 5) If both parents are eligible for reimbursement under a child-care benefit plan at the University only one shall be entitled to claim reimbursement under any such plan in a calendar year.
- 6) The plan maximum of \$1,500 per child will be provided annually, based on a calendar year. The amount will be prorated for less than full-time equivalent employment. A Member who has been appointed for less than the full calendar year shall be entitled to a pro rata amount for that year. There are no carryover provisions if the full \$1,500 is not used in any given year.
- 7) The terms "child care expense" and "eligible child" in this plan shall have the meanings given to them in subsection 63(3) of the *ITA*. The term "child" shall have the extended meaning given to that term in subsection 252(1) of the *ITA* such that, where used in this plan, the term "child" shall include a natural, step, common-law or adopted child or ward under the age of seven.

PART 2

- 1) Payments to be made by the University under this plan shall be paid solely out of the general operating monies of the University. The University shall not be required to

contribute or set aside any amounts to a separate fund or account to satisfy its obligations under this plan, or otherwise secure its obligations under this plan.

- 2) The value of the annual eligible claims under this plan shall not exceed the total amount available in the plan pool. The amount in this plan pool shall be based on the total of the amounts apportioned to each of bargaining units participating in the pool. If pool membership changes during the life of this collective agreement, and the plan pool amount accordingly changes, the Union will be so notified.
- 3) The value of the annual eligible claims under this plan shall not exceed this annual plan pool. If, in a given year, the value of the eligible claims under this plan is greater than that amount, all claims will be reimbursed on a pro-rated basis.
- 4) All Unions participating in this plan pool will be notified of the amount in the pool at the beginning of each benefit year.
