All other employees will have Salary Adjustment Dates annually on the anniversary of each employee’s start date of employment in the bargaining unit provided the employee remains actively employed in the bargaining unit (including employees on any approved leave pursuant to the Employment Standards Act or this Collective Agreement) with no break in service.
NEW ARTICLE (TO BE NUMBERED): THREE DAYS OFF WITH PAY

XX.01 For each twelve (12) month period (July 1 to June 30 of any year) the University will designate three (3) days on which employees do not have to work and in respect of which employees will suffer no loss of regular-straight time pay.

Employees required to work by the University on one (1) or more of these days will be paid at straight time for the day and will be given another day off with no loss of regular straight-time pay at a time mutually agreed by the employee and the supervisor.

The University, in its sole discretion, shall designate the three (3) days in a given twelve (12) month period. Normally, these three days will be scheduled by the University as part of the December/January University Closure period. Notice will be sent to the Union by the University within a reasonable time period prior to the designated dates of these days.

These days are not “Holidays” for any purpose under the collective agreement, including Article 12: Holidays.
Bullying and Personal Workplace Harassment

4:02 The University will provide an environment where members of the Bargaining Unit are not subjected to bullying and personal workplace harassment. Bargaining unit employees will not engage in workplace harassment. In assessing whether bullying and personal workplace harassment may have occurred, the definitions and standards set out in the Occupational Health and Safety Act and the University's Civility Guidelines-Workplace Harassment Program (including the University's Human Resources Guideline on Civil Conduct, and the University's Guideline for Employees on Concerns and Complaints Regarding Prohibited Discrimination and Discriminatory Harassment), as they exist from time to time, although they do not form part of the collective agreement, shall be considered, including by an arbitrator in any arbitration pursuant to this section. For clarity, the current Occupational Health and Safety Act defines "workplace harassment" as: "engaging in a course of vexatious comment or conduct against a worker in a workplace that is known or ought reasonably to be known to be unwelcome."

For clarity, workplace harassment may occur while on University of Toronto premises and in work-related activities or social events occurring off-campus. For clarity, workplace harassment that occurs through electronic means is covered by this Article.

An employee may file a grievance alleging a course of conduct amounting to bullying and personal workplace harassment if, after the University has exhausted any applicable internal steps to respond to the situation, the employee is dissatisfied with the outcome or if after sixty (60) working days have elapsed from the date the written complaint was finalized, signed by the employee, and submitted to the University, specifying the conduct alleged to constitute workplace harassment, the University has not provided the employee with a response to the complaint. Such grievance will be filed at Step 3 of the grievance procedure. If not resolved at Step 3, mediation or facilitation before an agreed-upon mediator or facilitator must occur before arbitration takes place. The mediation or facilitation will be confidential and without prejudice to the rights of either party.

During any internal steps taken to resolve the situation, employees shall have the right to be accompanied by a Union representative.

Sexual Violence and Sexual Harassment

4:03 Sexual harassment shall be considered discrimination under Article 4:01.

4:04 The University will provide an environment where members of the Bargaining Unit are not subjected to sexual violence and sexual harassment. Bargaining unit employees will not engage in sexual violence and sexual harassment. In assessing whether sexual violence or sexual harassment may have occurred, the definitions and standards set out in the Ontario Human Rights Code, the Occupational Health and Safety Act and the University's Policy on Sexual Violence and Sexual Harassment, as they exist from time to time, although they do
not form part of the collective agreement, shall be considered, including by an arbitrator in any arbitration pursuant to this section.

For clarity, the University’s current Policy on Sexual Violence and Sexual Harassment defines “sexual violence” as meaning: “any sexual act or act targeting a person’s sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person’s consent, and includes Sexual Assault, Sexual Harassment, stalking, indecent exposure, voyeurism, and sexual exploitation.”

For clarity, the current Ontario Human Rights Code provides that “[e]very person who is an employee has a right to freedom from harassment in the workplace because of sex, sexual orientation, gender identity or gender expression by his or her employer or agent of the employer or by another employee.” For further clarity, the current Ontario Human Rights Code defines harassment as “engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome.” For further clarity, the University’s current Policy on Sexual Violence and Sexual Harassment defines “sexual harassment” as including: “any sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the person where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome. Sexual harassment also includes a reprisal or a threat of reprisal for the rejection of a sexual solicitation or advance, where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the person.”

(a) Making submission to an unsolicited sexual advance or solicitation, expressly or by implication, a term or condition of an employee’s right to or continuation of or advancement in employment and/or

(b) Using or threatening to make use of, rejection of an unsolicited sexual advance or solicitation as a basis for employment or other professional decisions affecting the employee or the employee’s progress and/or

(c) Physical conduct, occurring either on the Employer’s premises or in the pursuance of a University activity or business, which emphasizes the sex or sexual orientation of one or more employees in a manner which the actor knows or ought reasonably to know creates for that employee or those employees an intimidating, hostile, or offensive working environment, and/or

(d) Verbal conduct or other forms of communication occurring either on the University’s premises or in pursuit of a University activity or business,

i. that is directed at one or more specific employees;

ii. that emphasizes the sex or sexual orientation of that employee or those employees in a manner which the actor knows or ought reasonably to know creates for that employee or those employees an intimidating, hostile, or offensive working environment; and

iii. that exceeds the bounds of freedom of expression or academic freedom as these are understood in University policies and accepted practices, including but not restricted to those explicitly adopted.
Sexual Harassment Grievances

4:04 (b) Employees electing to proceed with a complaint making a report under the University’s Sexual Harassment Policy on Sexual Violence and Sexual Harassment shall have the right to be accompanied by a Union representative at any stage of the process.

(c)

4:05 The time limit for making a report filing a complaint under the University’s Sexual Harassment Policy on Sexual Violence and Sexual Harassment or filing a grievance alleging sexual harassment under this Collective Agreement shall be no longer than six (6) months after the occurrence of the matter that is the subject of the report complaint/grievance. Where the respondent is the immediate supervisor of the complainant, the time limit to make a report shall be no longer than twelve (12) months after the occurrence of the matter that is the subject of the report/grievance.

Notwithstanding Articles 9.06 and 9.07 of this Collective Agreement, a grievance alleging sexual violence or sexual harassment shall be filed at Step 3 (or Step 2 for single department faculties). The Vice-President, Human Resources & Equity (or designate) will give a written decision to the Chair or Grievance Officer of the Union within sixty (60) working days of receipt of the written grievance. If the grievance remains unresolved, the Union may refer the grievance to arbitration pursuant to Article 10 of this Collective Agreement.

4:06 No information relating to the grievor’s personal background or lifestyle shall be admissible during the grievance or arbitration process.

4:07 Where an An employee who makes a report of believes he/she has been the victim of sexual violence or sexual harassment, he/she may request, through the Union, to discontinue contact with the respondent alleged harasser. Every effort shall be made to separate the parties in their employment relationship, without the complainant suffering any penalty. The University and the Union
agree to treat requests to discontinue contact as confidential to those directly involved.

4:08 Witnesses who give information and/or evidence in a sexual harassment complaint of sexual violence or harassment shall suffer no penalty of an academic or other nature.

4:09 In the event that both the complainant and the respondent are employees covered by a Collective Agreement between CUPE 3902 and the Governing Council of the University of Toronto, the Union and the University will appoint a mutually-agreed upon third party to investigate the complaint. Within two (2) months, the investigator shall submit a report to the Union and the University. The report may recommend discipline, e.g., ordering an apology, counselling, etc. The report shall not preclude the possibility of a grievance being filed on behalf of the complainant or respondent.

4:09 In the event the University decides to investigate a Report of sexual violence and/or sexual harassment under the Policy on Sexual Violence and Sexual Harassment, where both the Complainant and the Respondent are members of CUPE 3902 bargaining units, both the Complainant and the Respondent shall be entitled to raise an objection to the University's choice of investigator on the basis of procedural fairness with respect to the choice of investigator, within six (6) working days of being notified of the choice of investigator. The Complainant or Respondent making such objection shall provide the reasons and grounds therefor. The University shall give due consideration to all such objections and respond in writing within four (4) working days of receiving the objection. In its response, the University shall either replace the investigator or provide the rationale for the University's decision not to replace the investigator. All objections and related correspondence and decisions will be retained for the record.

The Vice-President, Human Resources & Equity (or designate) will give a written decision to the Chair or Grievance Officer of the Union within fifteen (15) working days after receipt of the grievance at Step 2. When mutual agreement with respect to such a request is reached, the time limit for referral from Step 1 to the next step (Step 3) shall be extended by ten (10) working days to a total of twenty (20) working days, and the time limit for response at Step 3 shall be extended from ten (10) working days after receipt of the grievance at Step 2 to twenty (20) working days after the receipt of the grievance at Step 2.

Such leave of absence is to be confined to the actual duration of the convention and the necessary travelling time. Such leave shall not exceed five (5) working days per year for each employee to whom such leave is granted.
13:06 Any vacation time not used at the time the employee ceases employment in the bargaining unit shall be paid out to the employee.
16.07 One employee per year who is appointed, selected, or elected to work for the Union as the Vice-Chair, Unit 5, shall at the written request of the Union receive a release from the employment duties under this Collective Agreement of up to twenty (20) hours per month. The employee shall continue to be paid by the University for these twenty (20) hours, but the Union shall reimburse the University for the wages and benefit costs arising from these twenty (20) hours upon receipt of a statement of the amount owing.

16:08 The University will pay to the Union on ratification, on 15 May 2018, and on 15 May 2019 the sum of five thousand dollars ($5,000) for the purpose of defraying costs associated with the administration of the Collective Agreement.
20:03 An employee must obtain advance written approval from his/her supervisor to be paid for hours of work in excess of one hundred and seventy-three (173) in any monthly pay period.

20:04 If an employee complies with Article 20:03, the employee will be entitled to either overtime pay or compensatory time off in lieu of overtime pay. Such overtime pay shall be calculated at a rate of 1.5 hours for every additional hour worked.

20:05 When an employee requests compensatory time off in lieu of overtime pay in accordance with 20:04 above, the employee will discuss this request with his/her supervisor and time in lieu will be taken on date(s) mutually agreeable to the supervisor and employee and not later than six (6) months following the pay period in which the time was earned and prior to the end of the employee's contract. In the event agreement cannot be reached, the employee shall be compensated in accordance with Article 20:04.

20:06 Employees shall submit to the Business Officer designated by the supervisor, in writing, no later than the first working day of the week, the number of hours he or she worked in the previous week. If the employee fails to do so, the hours worked for the previous week shall be deemed to be forty (40), or the regular weekly hours of work if the employee holds a part-time appointment unless the supervisor has authorized overtime pursuant to Article 20:03.
20:08 The Parties recognize that some postdoctoral fellowships may include teaching as a component of the overall fellowship which \textit{may} \textbf{shall} be communicated as part of the initial engagement, notwithstanding that such teaching when conducted by postdoctoral fellows is not covered by this Collective Agreement.

The Parties recognize that supervisors and employees may reach an agreement to include teaching as a component of the overall fellowship during the course of employment as a postdoctoral fellow that is subsequent to the initial engagement. In those cases in which supervisors and employees reach such an agreement, a revised letter of offer will be issued to the employee stipulating the teaching component, notwithstanding that such teaching when conducted by postdoctoral fellows is not covered by this Collective Agreement.

When teaching forms part of the overall fellowship, the employment in this Bargaining Unit will be understood to be on a part-time or partial basis for the purpose of this clause. It is further understood that, in these cases, the total regular hours of work including both teaching employment and fellowship employment shall not exceed one hundred seventy three (173) hours of work per monthly pay period in accordance with Article 20:02.

The University will provide to the Union a list of appointments made under 20:08 on an annual basis.

20:09 Except where teaching is made part of the overall fellowship in accordance with Article 20:08, an employee may accept a teaching position at the University of Toronto in recognition of the required flexibility in research and training in Article 20:01. \textbf{Employees may accept teaching positions at the University of Toronto provided that no duties related to the teaching position (e.g. preparation, office hours, marking/grading, lectures, tutorials, etc.) occur during normal hours of work for the postdoctoral fellow unless otherwise agreed to with the supervisor and also provided that the postdoctoral fellow agrees with the supervisor to Acceptance of such a position requires the prior written approval of the supervisor. Where such approval is not given, the supervisor shall provide written reason(s) therefor. Where such approval is given, the supervisor shall also determine, in consultation with the employee, an appropriate adjustment, if any, in the hours of work and, where appropriate, remuneration so as to ensure that the employee's regular total hours of work do not exceed one hundred seventy three (173) hours per monthly pay period in accordance with Article 20:02.}

21:02 Unless otherwise indicated, it is understood that the employment relationship will end on the last day of the contract as indicated in the letter of offer. In such cases, no additional notice is required.

21:03 Both the Postdoctoral Fellow and the University may terminate the employment relationship early by providing two (2) three (3) months written notice. The University retains the discretion to provide the equivalent of two (2) three (3) months’ salary in lieu of working notice. The Union will be informed without undue delay of early terminations made by the University pursuant to this clause.

NEW ARTICLE (TO BE NUMBERED): PROFESSIONAL DEVELOPMENT

XX:01 In each year of the 2017-2019 collective agreement, Postdoctoral Fellows will be entitled to take three (3) days off work without loss of pay per year of active employment (or part thereof pro-rated in half-day increments) to attend conferences, courses, or pursue any other activities that help advance their professional and/or general career development. Scheduling of such days must be requested by the employee as far in advance as practicable and must be approved by the supervisor.

An employee may make a request to the employee's supervisor for pay in lieu (pay for a 100% FTE employee would be calculated on the basis of 2080 hours/year in order to calculate the hourly rate and then 8 hours/day for calculation of the pay in lieu) of some or all of the three days off work provided for in this article in order to defray expenses related to the employee attending such conferences, courses or other activities that help advance their professional and/or general career advancement. Approval of any such request is at the sole discretion of the supervisor and shall not be subject to the grievance and/or arbitration provisions of the Collective Agreement.

Individual Development Plan

XX:02 An individual development plan (IDP) provides a planning process that identifies the Postdoctoral Fellow's general individual research goals, professional development, and career objectives. Postdoctoral Fellows may use an IDP to share their goals and objectives with their supervisor and clarify the connection with the supervisor's own research goals. In the event the Postdoctoral Fellow desires a written IDP, the Postdoctoral may submit a written draft of the IDP to the supervisor for discussion and the supervisor will review the IDP and share knowledge about available development opportunities. The IDP may be revisited as needed throughout the course of the appointment.

Progress Assessments

XX:03 Where a written Individual Development Plan has been developed in accordance with this Article, the employee and the supervisor will meet approximately semi-annually thereafter to discuss the progress made by the employee in accordance with the IDP. Upon request from an employee with a written IDP, and not more than once annually, the supervisor shall prepare a written evaluation of the employee's research progress and professional development including with reference to the written IDP developed in accordance with this Article.
ARTICLE 23 – GENERAL

Required Courses/Training

23:01

(a) If an employment supervisor requires an employee to attend a course and/or training as part of the employee’s employment, it will be considered paid time and the employee shall not be responsible for the cost of the course and/or training.

(b) Employees shall have access to career counselling services and workshops provided through the University’s Career Centre.

(c) The University will provide Graduate Centre for Academic Communications workshops and immigration sessions to Postdoctoral Fellows.
LETTER OF INTENT: PROFESSIONAL DEVELOPMENT

In this round of bargaining, the Parties discussed the fact that Postdoctoral Fellowships are designed to deepen expertise in a specialist subject, acquire novel skills, and further the career of the Postdoctoral Fellows. These skills include, but are not limited to teaching, writing, mentorship, supervisory skills, presentation and public speaking, research funding proposal writing, lab management, project management, conflict resolution skills, English language competency, C.V. writing, and general career development. Opportunities to further their skills will be offered to Postdoctoral Fellows through current partnerships with campus service providers, and descriptions of these opportunities and registration requirements will be available on the School of Graduate Studies website. The School of Graduate Studies will also apprise the Postdoctoral Fellow community of upcoming opportunities through listserv communications. Employees can refer to the School of Graduate Studies website for current career and personal development opportunities, resources, programs, and workshops.

The University agrees that the Labour/Management Committee will annually discuss issues pertaining to PDF professional development during the term of this Collective Agreement and suggestions for additional or alternative opportunities that could be provided to Postdoctoral Fellows.
Letter of Intent: Inventions Policy and Copyright Policy

The Division of the Vice-President Research and Innovation intends to develop guidelines pursuant to the Inventions Policy to clarify the inventor status of Postdoctoral Fellows, and intends to propose a revised Copyright Policy for approval through University governance.

Until the Division of the Vice-President Research and Innovation issues the guidelines pursuant to the Inventions Policy, the following will continue to apply:

While under 3.3 (b) of the Inventions Policy, administrative staff are strictly ineligible to own inventions developed in the course of their employment, Postdoctoral Fellows have typically been included in the sharing of net revenues owing to the inventors, proportional to their contribution to the invention as determined by the Inventors amongst themselves.

Until University governance considers and approves a revised Copyright Policy, the following will continue to apply:

Whereas Sections 2.1 and 3 of the Copyright Policy set out the basis for any sharing of revenue from a Work that is commercialized, Postdoctoral Fellows have typically been included in the sharing of net revenues owing to the Authors, proportional to their contribution to the Work as determined by the Authors amongst themselves.
Appendix A: Postdoctoral Fellows Child-Care Benefit Plan

Commencing with the 2017 calendar year, and for the duration of this collective agreement (to December 31, 2019) Bargaining Unit Members with an eligible dependent child under the age of seven will be eligible for reimbursement of child-care expenses as follows:

a. The maximum half-day reimbursement will be $10.00 per day. A half-day is defined as a minimum of four (4) hours to a maximum of six (6) hours of care, or where the parent is being charged a half-day rate by the child care provider.

b. The maximum full-day reimbursement will be $20.00 per day. A full-day rate is defined as six (6) or more hours of care, or where the parent is being charged a full-day rate.

c. Reimbursement is limited to fifty percent (50%) of the lesser of (i) the amount actually paid; and (ii) the usual and customary amount charged by the service provider for the same child care services. Members must apply for reimbursement during the designated application period (usually February - March of the subsequent year) using the application and process determined by the University each year. Members must be able to provide as backup to an application, in a single package, detailed receipts substantiating the child care expenses in respect of which reimbursement is sought for the previous calendar year along with proof of payment (e.g. credit card receipt, front and back of cancelled cheque, or a validated receipt). Reimbursement in respect of a calendar year shall be made in one lump sum payroll deposit, less applicable withholdings, if any. Members must provide the University with current Canadian banking information so that payments may be made by direct deposit.

d. Reimbursement will be made only for eligible child care expenses (as defined in the Income Tax Act) incurred by the Member. The University makes no representations as to whether a deduction from income is available under the Income Tax Act (ITA) in respect of any amounts paid or payable under this plan.

e. If both parents are eligible for reimbursement under this child care benefit plan, only one shall be entitled to claim reimbursement under this child care benefit plan in a calendar year.

f. The plan maximum of $2,000 per child will be provided annually, based on a calendar year. The amount will be pro-rated for less than full-time equivalent employment. A Member who has been appointed for less than the full calendar year shall be entitled to a pro-rated amount for that year. There are no carryover provisions if the full $2,000 is not used in any given year.

g. The terms “child care expense” and “eligible child” in this plan shall have the meanings given to them in subsection 63 (3) of the ITA. The term “child” shall have the extended meaning given to that term in subsection 252 (1) of the ITA such that, where used in this plan, the term “child” shall include a natural, step, common-law or adopted child or ward under the age of seven.
Payments to be made by the University under this plan shall be paid solely out of the general operating monies of the University. The University shall not be required to contribute or set aside any amounts to a separate fund or account to satisfy its obligations under this plan, or otherwise secure its obligations under this plan. The value of the annual eligible claims under this plan shall not exceed $100,000 annually for the term of this Collective Agreement. If, in a given year, the value of the eligible claims under this plan is greater than $100,000, all claims will be reimbursed on a pro-rated basis. If, in a given year, the total value of the eligible claims under this plan is less than $100,000, no excess amount will be carried forward or used for other benefit purposes.

Notwithstanding the no carry forward provision above and for the duration of the 2017-2019 collective agreement only, based on the lack of experience in administering child care benefits for this group of employees, any unspent amount will be used first to offset any deficit in the Unit 5 Health & Dental Plans which will help defer in whole or in part any increases in required employee premiums effective at the start of the following plan year, i.e. the following January. Any unspent amount not used to defer employee health premium increases will be carried forward to be used for child care benefits in subsequent years during the term of the 2017 – 2019 collective agreement only.

Effective April 2018 the following will apply: Within two (2) months following the distribution of payments, and at least two (2) months prior to any change in employee premiums for the CUPE 3902 Unit 5 Health and Dental Plans, representatives of the University and the Union will meet to review and discuss the utilization of the Child Care Benefit Plan and the financial status of the Health and Dental plan.
The University retains the right to manage the University in all respects except to the extent specifically modified by the terms of this Collective Agreement. Without limiting the generality of the foregoing statement, the University has the right to: manage all aspects of the academic and business enterprise of the University; to hire, classify, transfer, promote, demote, layoff, discipline, suspend, or discharge employees; to enforce reasonable rules and regulations, not inconsistent with this Collective Agreement, which govern the conduct of employees. The University agrees to exercise these rights in a manner which is fair, reasonable, equitable, and consistent with the provisions of this Agreement.

4:01 The University and the Union agree that there shall be no discrimination, interference, restriction, coercion, or harassment exercised or practiced in any matter concerning the application of the provisions of this Agreement by reason of: race, ancestry, national origin, language of origin, place of origin, colour, ethnic origin, citizenship, creed, religious or political affiliation or belief, sex, gender, sexual orientation, gender identity and gender expression, age, record of offences, marital status, family status, number of dependents, disability (including AIDS/HIV status), physical attributes, or academic school of thought, nor by reason of the employee's non-membership, membership, or activity in the Union.
4:10 In the event that a grievance alleging sexual harassment is referred to arbitration in accordance with Article 10, the Chairperson shall be selected from among the following persons:

Kevin Burkett
Jasbir Parmar
Louisa Davie
William Kaplan
Mary Ellen-Gummings
Laura Trachuk

Chairpersons shall be selected in rotation, commencing with the first person named. For each successive arbitration, the next person named shall be selected. If the person selected is unavailable within a reasonable time, the next person on the list shall be selected. Should none of the above be available within a reasonable time, the Parties may select a mutually agreeable alternative.

For purposes of administering this Collective Agreement, wherever Vice-President, Human Resources & Equity is referred to, it is understood that a designated representative may be recognized and dealt with in his/her stead.

ARTICLE 8: DISCIPLINE AND DISCHARGE

8.01 The University shall not discipline or discharge without just cause, and shall have due regard for the principles of progressive discipline.

Discipline will normally follow investigation and discussion with the employee, and will normally proceed through the following steps, with the objective of resolving the matter and/or correcting the behaviour as early as possible:

Step I: Oral warning
Step II: Written warning or letter of reprimand
Step III: Unpaid suspension
Step IV: Discharge

Disciplinary measures shall be proportional to the seriousness of the issue and shall normally increase in severity with repetition of the same or similar occurrences.

The Employer reserves the right to skip one or more steps outlined above, having regard for the severity of the conduct in question and the relevant mitigating and aggravating factors, if any.

8.02 An employee who is disciplined or discharged shall receive a copy of any written disciplinary notice, and the reasons therefor. The Union will also be sent an electronic copy of the notice within one (1) working day (24 hours) of the notice being sent to the employee.

AGREED Nov 30, 2016

8.03 When the Chair or designate requires an employee to attend an interview as part of an investigation which is likely to lead to discipline or discharge or for a meeting concerning discipline or discharge, the Chair or designate will inform the employee, in writing, of the employee’s right to have a Union representative attend such a meeting. If the employee requests representation by a Union representative, the Chair or designate will arrange for such representation without undue delay, and without further discussion of the matter with the employee concerned.

AGREED Nov 30, 2016

8.04 Nothing in this Article shall be construed in such a manner as to prevent the normal discussion between supervisors and employees concerning standards, expectations, or performance of work. The supervisor may, among other things, investigate, identify, and comment on unacceptable or unsatisfactory acts or omissions and set a reasonable time in which to correct the problem.
8.05 The Chair or designate shall be the sole Departmental authority responsible for issuing discipline and/or discharge. The Chair or designate shall take into account, when setting a reasonable time for improvement, the discussions that have taken place between the supervisor and the employee on this matter.

8.06 All disciplinary meetings, interviews, and investigations shall be treated as confidential. If there is no resulting discipline or discharge, then all record of the matter shall be removed from the personnel file of the employee. Notwithstanding, such records may be retained in a confidential Human Resources file.

8.07 The Employer will remove warnings and reprimands in an employee's personnel file after twenty four (24) months have elapsed since the date of issue, unless the employee has a subsequent warning for an offence during that period.

8.08 The University and the Union recognize that coaching letters are non-disciplinary. For clarity, coaching letters shall not form a step in the progressive discipline process and shall not be relied upon to increase the severity of discipline imposed.

8.07 8.09 For clarity, in Single Department Faculties, all references to Chair in this article shall be understood to refer to the Dean of the Faculty.

Complaint Stage (Optional)

9:05 If an employee has an employment-related complaint, the employee may, as soon as possible after the occurrence of the matter which is the subject of the complaint, request a meeting with the employee's immediate supervisor in order to give the immediate supervisor an opportunity to adjust the complaint. The employee may have a Union Representative present at such a meeting. If an employee elects to bring a Union Representative to such a meeting the employee shall notify the supervisor at least one day in advance. If a resolution to the complaint is arrived at as a result of the meeting, the employee shall be allowed to request a statement of the resolution, in writing, from the supervisor. In the event that an employee requests such a statement in writing, the supervisor shall comply without undue delay. The Parties agree that a written statement provided in response to such a request shall not be relied upon or referred to by either Party as having any precedential or interpretative value, and shall be considered to have been made on a "without prejudice" basis.
9:10 In the case of an employee who has been suspended or discharged, the employee may submit a grievance, in writing, signed by the employee, at Step 2 of the Grievance Procedure within five (5) working days after the employee's suspension or discharge. The Vice-President Human Resources and Equity or designate in Step 2 shall meet with the Chair of the Union and the Grievance Officer within a period of five (5) working days after receipt of the written grievance. If the grievance is not settled at this meeting, or within a period of five (5) working days following the meeting, then the Union may notify the University in writing within a further period of five (5) fifteen (15) working days that it intends to proceed to arbitration pursuant to Article 10 of this Collective Agreement.
